

HAVIS OVERHEAD SOLUTIONS FOR THE 2020-2021 FORD INTERCEPTOR UTILITY & EXPLORER

OVERHEAD CONSOLE FOR FORD INTERCEPTOR UTILITY & EXPLORER

C-OHC-INUT-1

- Mounts remote light & siren control head in OEM overhead console
- Fits common controllers from Whelen, Federal Signal, Code 3 & SoundOff
- Uses standard 4" Havis equipment brackets for mounting
- Low profile design with smooth rounded edges
- Retains OEM dome lights & passenger airbag indicator lights

The Havis Overhead Console for the 2020-2021 Ford Interceptor Utility & Explorer expands your equipment mounting space beyond the console with a low-profile, heads-up design. It offers flexibility to mount light & siren control heads in a secure position while preserving valuable mounting space.
